"Music, sung or played, is spiritual food for soul and heart." —Bahá'í Writings

## Be Generous

MUSIC BY TIM URBONYA

You can be a treasure, a lamp, or a gem. What virtues inside you are waiting to come out and shine? Bahá'u'lláh's Words describe many ways to help bring justice to the world.

Tim Urbonya and his daughters Jong May (left) and Dalien write music and sing together.
